Duties, powers and functions

19. The Committee is to:

- (a) be primarily responsible for making recommendations to the Board on the appointment, reappointment and removal of the external auditor, and to approve the remuneration and terms of engagement of the external auditor, and any questions of its resignation or dismissal;

The Committee should ensure that proper arrangements are in place for fair and independent investigation of these matters and for appropriate follow-up action;
- (p) act as the key representative body for overseeing the Company's relations with the external auditor;
- (q) agree with the Board the Company's policies on hiring employees or former employees of the external auditors and monitoring the application of these policies. - (r) review the nature and extent of any non-audit services provided by the external auditors to the Group and ensure that the provision of such services does not impair the external auditor's independence or objectivity. When assessing the external auditor's independence or objectivity, the Committee may consider the following:
 - (i) whether the skills and experience of the external auditors make it a suitable supplier of the non-audit services;

- (ii) whether there are safeguards in place to ensure that there is no threat to objectivity and independence of the audit resulting from the provision of such services by the external auditors;
 - (iii) the nature of the non-audit services, the related fee levels and the fee levels individually and in aggregate relative to the external auditors; and
